

Get Involved

The Haemophilia Society is proud to be a member led organisation. There are a huge range of ways you can get involved in the work of the Society and we hope that there is something to suit everyone.

If you don't find anything here that interests you then please get in touch to discuss your ideas.

[In your area](#)

[Meeting people online](#)

[Local Groups](#)

[Haemophilia Scotland](#)

[Patient Opinion](#)

[Vacancies](#)

[Volunteering with the Haemophilia Society](#)

The Haemophilia Society is only as strong as our members. Without the huge commitment of time, energy, ideas and expertise of hundreds of people right across the UK none of our work would be possible.

Other ways to get involved

- [Get Involved : Get the Best](#)

For patients and parents who want to have a bigger say in helping to improve treatment and care.

- [Women Bleed Too](#)

Bringing women affected by bleeding disorders together.
