Please take a few minutes to register on our website.

Once you are registered you can click on 'Add to My Alerts' on any page to be emailed when new content is added. As a registered user you can also use the 'In your area' section of the website to set up or advertise an event.

If you register and you live in the UK we will automatically make you a member of the Haemophilia Society. Membership of the Society is free although we do contact members from time to time and ask them to consider a donation to help us cover our costs.
